Dear Mrs. Edwards:

Enclosed is some of the information that I have on Jason born about 1704 in Essex County, Va.

The charts that I am showing came from a book written by Victor and Bernal Meador of Independence, Mo and from everything that I have learned in my own research they appear to be good. They have written more than one Meador book but never really has dealt a lot with Jason since they are of another Meador line, they have done extensive research in Virginia and some other states though.

The name of the book is "Our Meador families in Colonial America", if you do not have a book available I will be happy to loan you my copy.

The other information is some that I have developed from many different sources.

When I receive your cards I will be happy to see if I can add anything.

Hopefully your cards will show your lineage.

I am a descendant of Jason Meador Jr., and Sally Moberly. They had a Jason I will call the III. He married a Sophia Elizabeth and we believe she was a Lowrey but cannot prove it but do know her name was Sophia Elizabeth. They also had a son they also named Jason and I call him the IVth, and a son Hugh A. who married Elizabeth Hendricks, daughter of Asa.

My lineage is Jason III
Hugh A. and Elizabeth, moved to Greene County, Ala late 1820s
Dr. Holden Wade Meador, married Elizabeth Jane Lewis in Greene County, 1847, she was daughter of John M. and Lucinda Wedgeworth Lewis. Shortly after their marriage they moved to Clark County, Ar.
My father James Benjamin Meador born 1850 died 1934, his first wife died and he married the second time to a young woman and they had several children.

There is some discussion as to whether Jason Jr., or Jason III was in Revolutionary service. We know Jason Sr., was a Quaker and think Jr., was to and if he was he would not have served.
If can be of any further service please let me know.

Believe the following person is the same as the one above, and that she just had two marriages.

(7) Tabatha, married Evan A. Culpepper Aug. 17, 1843. Solemnized by Thomas Willingham, M.G. W. H. Roberts, bondsman, who certifies that Tabitha, daughter of Mordeica Meador is over 18. Volume 132. Or book 1 page 261.

In Nov 1834 Mordecai J and Rebecca J deeded land to Stephen May. Stephen and Jane Meador married in 1833, daughter of Hugh.

On January 14, 1854. Vol 176 P 44 Sumter Co., Ala from Gandrud.

Census of 1850 - Sumter Co., Ala. = family #110
Meador, Mordecai age 64 born NC Farmer $50
Sarah 19

It is believed he died near Lisman. Ala., this is where his son Benjamin lived.

The Census of 1840 - Sumter Co., Ala., shows

Mordica 0-0-0-1-0-0-1 then 0-0-1-1
He and his wife are both buried in the Old Marion Cemetery, in Lauderdale, Ms.

There are a total of 16 Meador heads of household in the 1840 Sumter Co., Ala census. At this time I do not know the lineage of all of them.
